Pothole patching this week on I-70 east of Columbia

JEFFERSON CITY, Mo. – Local maintenance crews from the Missouri Department of Transportation plan to patch potholes this week on Interstate 70 between Exits 133 (Route Z) and 137 (Route J), in both directions. Motorists can expect intermittent lane closures from 8 a.m. to 3 p.m. daily, today, Feb. 3, through Friday, Feb. 6.

All work is weather-permitting, and schedules are subject to change.

MoDOT asks all motorists to work with us by buckling up, putting your phone down, obeying all traffic signs, and slowing down and moving over in work zones.

For more information about MoDOT projects, traffic updates, or other transportation-related matters, please visit our Traveler Information Map at http://traveler.modot.org/ or call our 24-hour Customer Service Center at 1-888-ASK-MoDOT (275-6636). While at modot.org, sign up for work zone updates sent directly to your inbox. Information is also available 24/7 by connecting with us on social media:
